

Name, Grade, School

My Five Year (+) Plan

	Year One	Years Two-Four	Years Five-Eight	Year Nine (+)
School	Graduate high school with 3.8 GPA	Go to UIC and study chemistry, prepare to ace the MCAT my senior year	Get a few years experience working downtown	Get accepted to grad school for Medicinal Chemistry, eventually graduate and begin practicing
Social Life	Make lasting memories with my besties	Make more friends, go out occasionally (have fun but not too much fun)	Go on a fun trip with my friends, fall in love	Get married, start a family
Finances	Treat myself for my accomplishments	Create a savings account	Keep saving	Invest in a lucrative stock
Housing	Live with family and commute to school			Get my own apartment
Health	Go for morning run, have occasional checkups with my doctor
